6 Due diligence on non-performing loan portfolios from a bank's and an investor's perspective

Marco H. Wiedenhofer, KPMG

Introduction

Types of transaction (negotiated deal versus auction)

7 Contractual framework of a loan portfolio transaction

Simon Gottlieb Grieser and Jörg Wulfken, Mayer Brown

Sale and purchase agreement

Servicing agreements

Securitisation of non-performing loan transactions

Conclusion

8 Outsourcing versus sale considerations for outsourcing of servicing for a loan portfolio

Jörg Keibel, Hoist AG

Initial situation

European view

Outsourcing § 25a KWG

Pros and cons of servicing a loan portfolio in-house and externally

In-house servicing versus sale

Conclusions

9 Portfolio and performance management of German non-performing loan transactions

Andreas Wesner, The Carlyle Group

Introduction

Servicer functions

Portfolio management

The business plan

Measuring performance

Managing performance

10 Performing and non-performing loan transactions from a real estate valuation perspective

Katja Schmidt, KPMG

Introduction

The role of properties in loan transactions

Property-specific areas of action for the transfer of loans

Dealing with the special challenges associated with valuing real estate portfolios

Drive-by valuations as a key element of valuing real estate portfolios

11 Non-performing loans (especially corporate restructuring): status and exit strategies

Heike Munro, Deutsche Bank AG, London

Non-performing loan market: background, status and outlook

Players

Investments

Exit strategies

Exit issues and potential solutions

Summary

12 Financing and securitisation of a portfolio acquisition

Dr. Evamaria Wagner and Franck Thevenon-Rousseau, Calyon

Preface

Introduction

Portfolio sales and securitisation: two apparently competing financing techniques for sellers

How securitisation has been used as a full-fledged financing technique in portfolio acquisitions

Important considerations when combining portfolio acquisitions and securitisation

An overview of the European portfolio acquisition-securitisation market

13 Distressed debt collateralised obligations from a legal perspective

J. Paul Forrester, Mayer Brown

Introduction

Core concept of CDOs

CDO characterisation

CDO structure

Recent transactions

Required structure changes

Recent examples

Outlook

PART 2 – COUNTRY REPORTS 171
